Docket No. 2003-528

August 21, 2003

BANGOR HYDRO-ELECTRIC COMPANY  
Request for Approval of a Special Rate  
Contract with Jasper Wyman & Son

ORDER APPROVING  
CONTRACT

WELCH, Chairman; DIAMOND and REISHUS, Commissioners

### **SUMMARY OF DECISION**

By this Order, the Commission approves Bangor Hydro-Electric Company's (BHE's or the Company) proposed targeted rate contract (TRC) with Jasper Wyman & Son.

### **DISCUSSION AND DECISION**

On July 17, 2003, BHE filed with this Commission a proposed CSA with Jasper Wyman & Son. Pursuant to BHE's Flexible Pricing Program approved by Commission Order Approving Stipulation dated March 12, 2002 in Docket No. 2001-194, contracts with terms no more than three years; that are not anti-competitive or unduly discriminatory; that provide annual, usage-sensitive revenues in excess of annual, usage-sensitive marginal costs; and that provide total revenues in excess of the Company's total marginal cost floors plus an adder over the term of the contract, go into effect automatically 30 days after they are filed. This contract complies with the provisions of that Stipulation and would go into effect automatically on August 16, 2003. However, the Company has requested that it be effective on July 1, 2003. In order to become effective on this date, this contract requires Commission review and approval.

We have reviewed the contract and find that there is no significant risk to BHE's other customers as a result of this Agreement. Therefore, we will allow the CSA to go into effect on the date requested by BHE.

Accordingly, we

### **ORDER**

That the Targeted Rate Contract with Jasper Wyman & Son, filed by Bangor Hydro-Electric Company on July 17, 2003, is hereby approved and may become effective as of July 1, 2003, as requested by the Company.

Dated at Augusta, Maine, this 21<sup>st</sup> day of August, 2003.
